RESPONSE

Box Non-Fee Amendment  
Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

In response to the Office action mailed September 12, 2002, please consider the following amendment and remarks:

In the claims:

Please amend claims 1 and 15 as follows:

- AI  
Sub B1
1. (Amended) A method for caching and accessing rights in a distributed computing system, the method comprising the steps of:
    - accessing, by a software agent, a directory service, wherein the agent is located on a deputization point coupled to the directory service; and wherein the directory service comprises the rights of a software principal to a resource;
    - updating, by the agent, the rights to an access control list cache, wherein the access control list cache is coupled to the deputization point and to the principal;
    - receiving, at the access control list cache, a request from the principal for the rights;
    - retrieving, by the access control list cache, the rights; and
    - forwarding, to the principal, the rights.
